

FOR IMMEDIATE RELEASE:

Kingfisher Bay Resort Leading the Way as an Eco Event Venue

Fraser Island's premiere retreat Kingfisher Bay Resort has been awarded 'Unique Event Venue with Accommodation', at the recent Queensland Meetings and Events Australia ceremony held in Brisbane.

The accolade was presented at the prestigious Calile Hotel on March 6th, with the resort going on to place as a runner-up, at the National Meetings and Events Awards earlier this month.

The award was accepted by MICE Sales Manager, Sarah Smith who said, "Being recognised on a state level will continue to generate fantastic exposure for Fraser Island as a conferencing destination – not to mention the wonderful and well-deserved acknowledgment for our small, yet dedicated events team".

Kingfisher Bay Resort's events team create unique experiences for groups and corporate events, from utilising a range of native backdrops and outdoor dining experiences under the stars, to facilitating the royal visit with the Duke and Duchess of Sussex, projecting this destination and the resort's diverse offerings onto the global stage.

In addition to a suite of recently renovated King rooms, a full refurbishment is in place for one of the resort's key dining venues, scheduled for completion in mid-2019. This will create a fresh, modern appeal for returning MICE guests, with the new restaurant to be named 'Sand and Wood'.

Kingfisher Bay Resort has also been listed as an early nominee for the 2019 Queensland Annual Bridal Industry Awards (ABIA), contending for 'Best Hotel & Resort Reception'.

Kingfisher Bay holds a strong track record in this category, having previously claimed the Queensland title for four consecutive years, being named a Top 3 Finalist at the ABIA awards in 2018, further validating the resort as a coveted event space, and a sought-after choice for both groups and couples.

This is in addition to being named a finalist at the Fraser Coast 'Bride's Choice Awards', in the Accommodation, Day Spa, Ceremony Location and 4-Star Venue categories, as voted by 1,061 couples.

Kingfisher Bay Resort hosts over sixty weddings on Fraser Island each year.
